

Table of Contents

Foreword.....	iv
Acknowledgments	vi
Table of Contents.....	viii
Acronyms.....	xii
Module 1: Course Overview and Introduction to the Training	1-1
Session 1.1: Welcome, Introductions, Agenda and Ground Rules	1-2
Session 1.2: Review of Training Objectives	1-5
Session 1.3: Learning Needs Assessment	1-7
Module 2: Roles and Responsibilities of Peer Educators as Part of the Multidisciplinary HIV Care Team	2-1
Session 2.1: Introduction: Overview of the Peer Educator Program	2-2
Session 2.2: Understanding Peer Education	2-3
Session 2.3: Roles and Responsibilities of Peer Educators in Family-focused HIV Programs	2-5
Session 2.4: Peer Educators as Part of the Multidisciplinary Care Team.....	2-6
Session 2.5: Module Summary.....	2-7
Module 3: HIV and Reproductive Health Basics	3-1
Session 3.1: Introduction: Myths and Rumors about HIV, AIDS and PLHIV	3-2
Session 3.2: The Difference between HIV and AIDS	3-3
Session 3.3: From HIV to AIDS – What Does HIV Do in the Body?.....	3-4
Session 3.4: Sexual and Reproductive Body Parts and Their Functions	3-7
Session 3.5: HIV Transmission and Prevention.....	3-12
Session 3.6: Introduction to Comprehensive, Family-focused Care.....	3-18
Session 3.7: Module Summary.....	3-20
Module 4: Communication and Counseling Skills	4-1
Session 4.1: Introduction: Our Own Attitudes and Values	4-2
Session 4.2: What Is Counseling?	4-3
Session 4.3: Key Counseling Skills for Peer Educators	4-5
Session 4.4: Communicating to Groups	4-9
Session 4.5: Classroom Counseling Practicum	4-11
Session 4.6: Module Summary.....	4-12
Appendix 4A: Counseling and Communication Checklist.....	4-13
Module 5: Comprehensive HIV Care	5-1
Session 5.1: Introduction: Review of Family-focused Care.....	5-2
Session 5.2: HIV Counseling and Testing: The Entry Point to Care.....	5-3
Session 5.3: HIV Care and Treatment: What is the Difference?	5-5
Session 5.4: Prevention and Treatment of Opportunistic Infections and Other Complications.....	5-7
Session 5.5: Tuberculosis Education, Screening and Referral	5-11
Session 5.6: Helping with Referrals to Ensure Comprehensive Care	5-14
Session 5.7: Module Summary.....	5-15
Module 6: Antiretroviral Therapy (ART)	6-1
Session 6.1: Introduction: Myths and Facts about ART	6-2
Session 6.2: Who Needs ART?	6-4
Session 6.3: Goals and Benefits of ART.....	6-7
Session 6.4: Common ART Regimens.....	6-9

Session 6.5: Common Side Effects of ARVs.....	6-12
Session 6.6: Module Summary.....	6-17
Module 7: HIV Prevention, Care and Treatment for Pregnant Women and Their Children.....	7-1
Session 7.1: Introduction: Prevention of Mother-to-Child Transmission (PMTCT) Overview	7-2
Session 7.2: Strategies to Prevent Mother-to-Child HIV Transmission.....	7-4
Session 7.3: Supporting Pregnant Women and Mothers with Ongoing ART Services	7-13
Session 7.4: Identifying and Caring for Babies Exposed to HIV	7-14
Session 7.5: Introduction to Pediatric HIV Care and Treatment.....	7-18
Session 7.6: Classroom Practicum on PMTCT	7-20
Session 7.7: Module Summary.....	7-22
Module 8: Adherence and Psychosocial Support.....	8-1
Session 8.1: Introduction: The Importance of Adherence	8-3
Session 8.2: Adherence Basics.....	8-4
Session 8.3: Psychosocial Support Basics	8-6
Session 8.4: Common Barriers to Adherence and Psychosocial Well-being.....	8-7
Session 8.5: Helping People Adhere to Care	8-9
Session 8.6: Helping People Prepare for and Adhere to Treatment: Part 1 – Group Education	8-13
Session 8.7: Helping People Prepare for and Adhere to Treatment: Part 2 – Individual Counseling, Assessment and Planning.....	8-17
Session 8.8: Providing Ongoing Adherence and Psychosocial Support.....	8-20
Session 8.9: Classroom Practicum on Adherence and Psychosocial Support Counseling.....	8-23
Session 8.10: Module Summary	8-26
Appendix 8A: Generic Adherence Readiness Assessment Form.....	8-27
Appendix 8B: Generic Psychosocial Assessment Form	8-29
Appendix 8C: Generic Adherence Follow-up Assessment Form.....	8-30
Module 9: Identifying and Tracing People Who Do Not Return to the Clinic	9-1
Session 9.1: Introduction: Why Do Clients Miss Clinic Visits?	9-2
Session 9.2: Identifying People Who Do Not Return to the Clinic.....	9-3
Session 9.3: Strategies to Follow Up with People Who Do Not Return to the Clinic	9-6
Session 9.4: Classroom Practicum on Client Follow-up	9-9
Session 9.5: Module Summary.....	9-11
Appendix 9A: Sample Page from a Clinic Appointment Book	9-12
Appendix 9B: Sample Patient Appointment Card.....	9-13
Appendix 9C: Sample Phone Follow-up Logbook.....	9-14
Module 10: Positive Living.....	10-1
Session 10.1: Introduction: The Recipe for Positive Living.....	10-2
Session 10.2: Healthy Mind	10-3
Session 10.3: Healthy Body	10-6
Session 10.4: Safer Sex.....	10-8
Session 10.5: Preventing and Treating Sexually Transmitted Infections (STIs)	10-13
Session 10.6: Helping Clients Be Active Participants in Their Own Care	10-15
Session 10.7: Classroom Practicum on Positive Living.....	10-16
Session 10.8: Module Summary	10-18
Module 11: Stigma, Discrimination and Disclosure.....	11-1
Session 11.1: Introduction: Our Own Experiences with Stigma.....	11-2
Session 11.2: How Do Stigma and Discrimination Affect HIV Services?	11-3
Session 11.3: Strategies to Deal with Stigma.....	11-4
Session 11.4: Introduction to Disclosure.....	11-6
Session 11.5: Disclosure Counseling.....	11-8

Session 11.6: Classroom Practicum on Stigma and Disclosure Counseling	11-10
Session 11.7: Module Summary	11-13
Module 12: Community Outreach, Education and Linkages	12-1
Session 12.1: Introduction: What Services Do Clients Need in Their Communities?	12-2
Session 12.2: Linking Clients to Community Support Services	12-3
Session 12.3: Community Resource Mapping.....	12-4
Session 12.4: Being a Community Educator and Advocate	12-6
Session 12.5: Module Summary.....	12-7
Appendix 12A: Sample Community Resource Inventory.....	12-8
Module 13: Record-keeping and Reporting.....	13-1
Session 13.1: Introduction: Why do We Need Records?	13-2
Session 13.2: Peer Educator Recording and Reporting Forms.....	13-3
Session 13.3: Module Summary.....	13-4
Appendix 13A: Sample Daily Register for Individual Counseling Sessions	13-5
Appendix 13B: Sample Daily Register for Group Education Sessions	13-6
Appendix 13C: Sample Monthly Reporting Form	13-7
Module 14: Supervised Practicum.....	14-1
Session 14.1: Practicum Preparation	14-2
Session 14.2: Supervised Practicum.....	14-3
Session 14.3: Practicum Debriefing.....	14-4
Appendix 14A: Peer Educator Supervised Practicum Checklist	14-5
Module 15: Next Steps, Course Evaluation and Graduation.....	15-1
Session 15.1: Reflection on Learning Objectives	15-2
Session 15.2: Next Steps for Peer Educators.....	15-3
Session 15.3: Final Learning Assessment/Post-Test.....	15-4
Session 15.4: Training Evaluation.....	15-5
Session 15.5: Graduation and Closing.....	15-6
Advanced Module 16: Sexuality, Childbearing and Family Planning Basics.....	16-1
Session 16.1: Introduction: Let’s Talk about Sex	16-2
Session 16.2: Different Sexual Behaviors: Okay for Me?	16-3
Session 16.3: Parts of the Body Involved in Sex and Reproduction.....	16-4
Session 16.4: Conception and Childbearing Choices	16-8
Session 16.5: Types of Family Planning Methods.....	16-12
Session 16.6: Dual Protection and Condom Use.....	16-17
Session 16.7: Classroom Practicum on Conception, Childbearing and Family Planning Counseling	16-20
Session 16.8: Module Summary	16-21
Advanced Module 17: Nutrition Education and Counseling	17-1
Session 17.1: Introduction: The Relationship between Nutrition and HIV	17-2
Session 17.2: The Basic Food Groups	17-3
Session 17.3: Providing Basic Nutrition Education and Counseling for Adults and Children.....	17-4
Session 17.4: Common Nutrition and Eating Problems among PLHIV	17-9
Session 17.5: What to Do if There Is Not Enough Food	17-14
Session 17.6: Classroom Practicum on Nutrition Education and Counseling	17-15
Session 17.7: Module Summary	17-17
Advanced Module 18: Pediatric HIV Care and Treatment.....	18-1
Session 18.1: Introduction: The Importance of Pediatric Care and Treatment.....	18-2
Session 18.2: Identifying HIV-exposed and HIV-infected Infants and Children.....	18-3
Session 18.3: Caring for HIV-exposed and HIV-infected Babies	18-5

Session 18.4: Pediatric ART	18-8
Session 18.5: Pediatric Disclosure.....	18-10
Session 18.6: Pediatric Adherence	18-12
Session 18.7: Classroom Practicum on Pediatric HIV	18-14
Session 18.8: Module Summary	18-16
Advanced Module 19: PLHIV Support Groups	19-1
Session 19.1: Introduction: Why Do We Need Support Groups?	19-2
Session 19.2: Planning Support Group Meetings.....	19-3
Session 19.3: Facilitating Support Group Meetings.....	19-7
Session 19.4: Practicum on Support Groups.....	19-9
Session 19.5: Module Summary	19-10
Illustration Credits.....	20-1
